Potentially subject to change. Please observe that the times included are estimations. Arrive well on time. The venues are limited in space, and we cannot guarantee that there is room for all visitors at each single part of the program. Umeå Folkets Hus is designed to be accessible. If you have any questions in regards to accessibility, please contact us in advance. The performances at Studion will contain water-based smoke and stroboscope effects. As a visitor to Uma Obscura, you are aware that you may be featured in photography/film, since the different parts of the festival are documented.

For more info and potential updates, changes and addendums, please visit:
